100 Years In The Making

Although our personal college experiences only last around four years, we know that there have been many that came to West Chester before us and many that will come after. Every college experience is different. The shaping of the college experience comes from the classes we take, the friends we make, and the organizations we join. We experience it all, from Phillies riots to snow days, and this is where we document it.

This year had lots of new and exciting changes on our campus. West Chester has been in the process of making improvements all over. With the new apartment-style dormitories, new parking lots, and the new fitness center, students are receiving a better college experience than ever before.

This 100th edition of the Serpentine captures the here and now, while remembering the past. Each Serpentine is a hard copy of the memories that the Golden Rams have made for an entire century. The book has made it possible for students, faculty, and the community to keep track of their favorite place: West Chester! The Serpentine plans to be around for the next 100 years to cover all the new changes and help its graduates remember the time of their lives.

Dancing at the Winter Wonderland Ball near the beginning of the Spring Semester.

Getting the welcome wagon ready to welcome students back to campus.

Students at the Smithsonian museum.

These girls are obviously enjoying the food they bought at Ram's Head. There you can stop by Chick-Fil-A, grab a slice at Bene Pizzaria. You can sit down and enjoy your food or take it with you for later.

Choose from a wide variety of foods at the buffet in Lawrence. Food is made fresh every day.

You can find Montague's Deli at the Ram's Head in Sykes. They serve a variety of sandwiches including melts and bagel sandwiches.

Delicious Dining Options

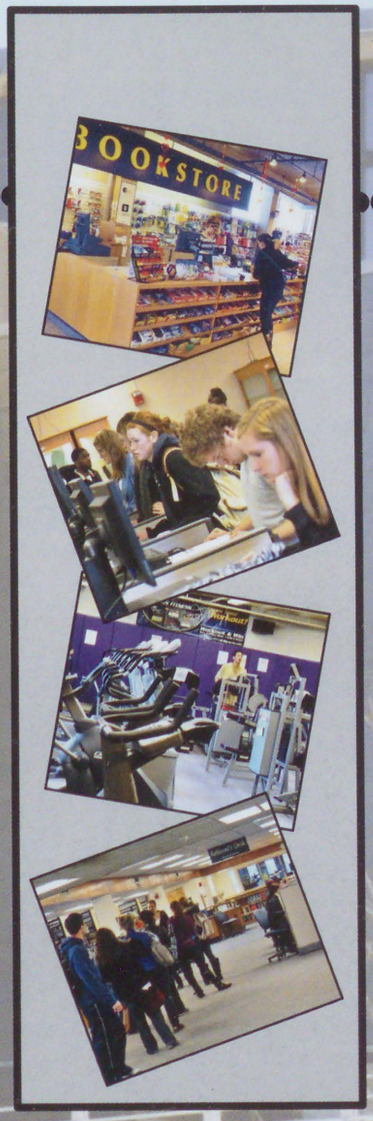
The Diner offers a fun themed place for students to hang out and enjoy their food.

Students relaxing and eating delicious food in their free time.

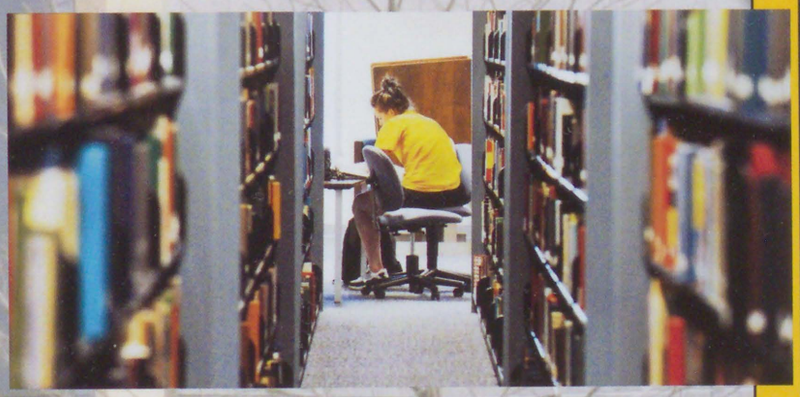
Einstein Bros' Bagels, located in Lawrence, is a great place to grab and go.

Outside of Class

The bookstore and the fitness center are both located on the ground floor of Sykes Student Union. There is a lot more than books at the SSI bookstore; including WCU apparel, snacks, and even stuffed bears. The bookstore is there to fill all the needs of students on campus.



WCU students know how to beat the winter blues by having a snowball fight in the quad.



Students spend time outside of class in the library studying. The library is often a popular place during the midterm and finals weeks. The library is a wonderful resource of information and help.

College of Visual and Performing Arts

In its fourth year of being opened, the Swope Music Building and Performing Arts Center gives West Chester University the title of being the only School of Music in the Pennsylvania State System of Higher Education. The College of Visual and Performing Arts proudly offers art exhibits, theatrical performances, recitals, and concerts displaying some of the true talent that this University has to offer. Hosted by the Department of Art are a wide variety of exhibits, featuring talent from international to student and regional artists, while The Department of Theater and Dance lights up the stage with five theatrical productions each year.

College of Arts and Sciences

With nearly twenty majors and over thirty clubs and organizations to become involved with, the College of Arts and Sciences provides a broad range of opportunities to students to further the development of their high-quality education. A planetarium, state-of-the-art equipped labs, an herbarium, and a natural area for environmental studies are just a few examples of the many facilities that are involved with the College of Arts and Sciences.

College of Business and Public Affairs

The College of Business and Public Affairs offers a variety of internships within all programs of study, with all business programs accredited by the Association to Advance Collegiate Schools of Business (AACSB). Programs within the College also work with organizations and businesses, allowing students to provide and serve as valuable resources. Several majors and clubs and activities enable students to acquire skills that will prepare them for work beyond the college experience.

Education rally through the streets of West Chester

College of Education

It seems as though we have all heard that West Chester is a top Pennsylvania school for teacher education and certification, and it most definitely is. Students experience a selection of excellent faculty, with the opportunity to complete student teaching at nearly forty surrounding school districts. Undergraduate degree programs not only include courses of study within the College of Education, but also offer programs of study combined with the College of Business and Public Affairs and the College of Arts and Sciences. No matter what level of education you plan on studying, West Chester University is truly top-notch in preparation for teacher certification.

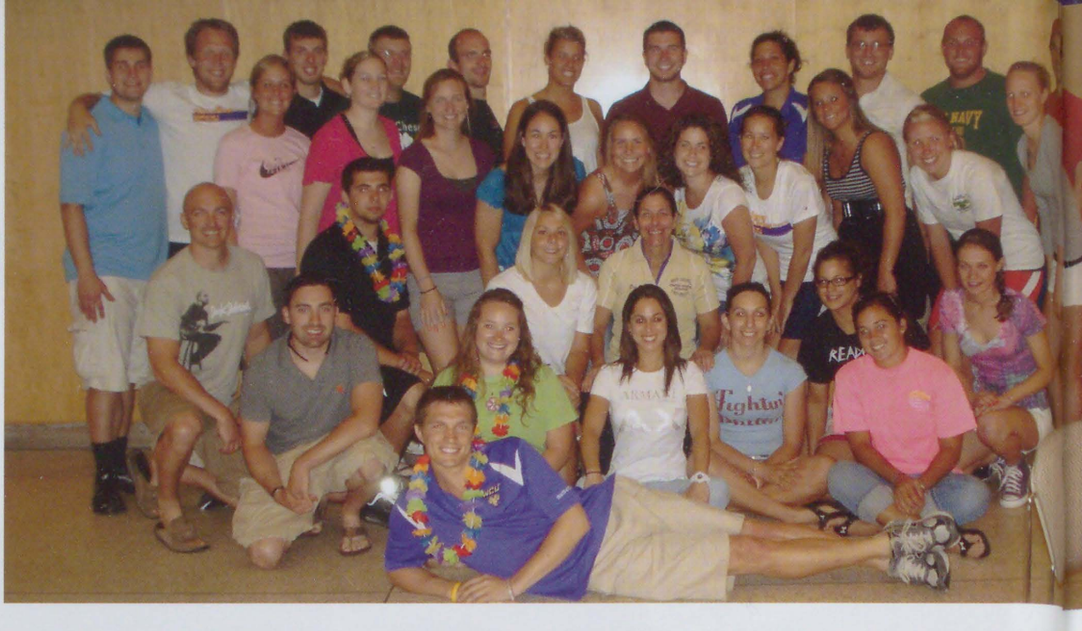
Secondary Education



The Adapted Lifetime Physical Activity program pairs teens with disabilities to Physical Education majors for improvement in fitness and physical activity.

The Adapted Physical Activity, or APA Club, travels to Arizona each year for ten days to help conduct a developmental sports camp, called Camp Abilities Tuscon, for children who are blind or visually impaired.

The Adapted Physical Education minors, under the direction of Dr. Lepore and Dr. Ellis, provide community service to over eighty children with disabilities per week at the south campus gyms, pools, and fitness center.

College of Health Sciences

The demand for medical and health science professionals is growing, and why not experience internships, clinical experience, special study programs, outstanding faculty, and a high-quality curriculum at West Chester University? With many programs of study within the departments of Communicative Disorders, Sports Medicine, Nursing, Health, and Kinesiology in the College of Health Sciences, students are able to acquire the skills and experience needed to succeed in their careers. Sophisticated facilities, including a speech hearing clinic, a food preparation laboratory, several gymnasiums, a human performance laboratory, and athletic training rooms provide exceptional opportunities for any student.

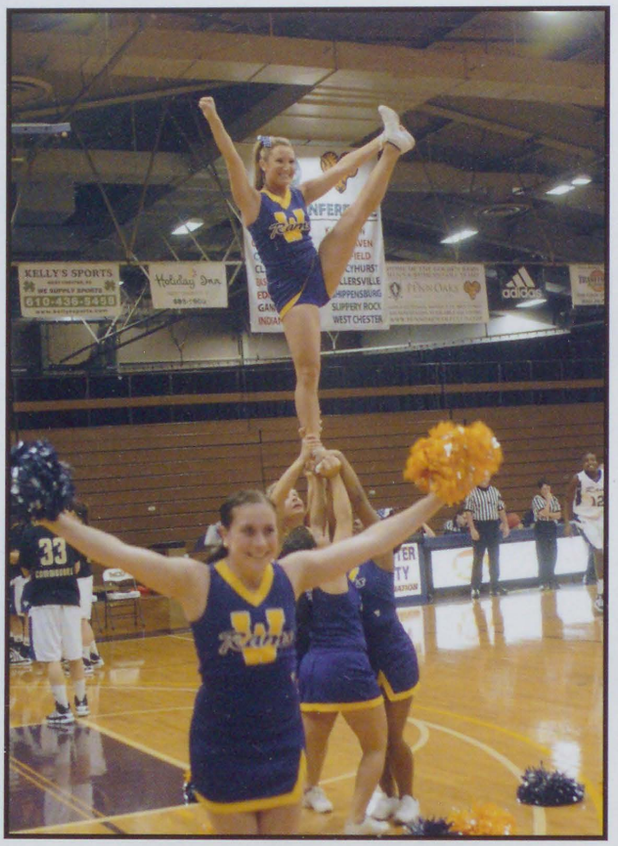
get your GAME FACE on

The boys of the 2010-2011 football team played their hearts out on the field this season! This gridiron gang toiled through a tough season, finishing the year with a 4-7 record, but they played with a fierce tenacity truly admirable of any football team. They had some close games, most notably the Golden Rams's 44-43 victory over Shippensburg. This season was filled with honors and awards for the gentlemen of the Golden Rams squad. The senior co-captains Travis Ford-Bey and Dan DePalma were each awarded with the honor of being named to the first All-PSAC East Squad by the Pennsylvania State Athletic Conference. Freshman Shawn Leo was recognized as one of 42 place-kickers by The Fred Mitchell Award committee for excellence both on the football field and in the community. Safety John O'Donnell (sophomore) was named as the PSAC East Defensive Player of the Week - quite an honor! Sean McCartney even stepped up to the challenge of being the first freshman starting quarterback in the face of team injury since 2001's Bob Findora. These boys may not have had a postseason to speak of, but the 2011-2012 team will be there to crush the opponents with their skill, determination, and hard work. These boys have heart, and they will go far!

Cheerleading

pumping up the crowd



Spreading *the* CHEER

The West Chester cheerleaders have set high expectations for themselves in the past for which they want to continue reaching. Therefore, getting the new participants into Purple & Gold mode will definitely take a lot of dedication and commitment. To begin their preseason, the cheerleaders headed to The University of Scranton in the beginning of August. At Scranton, the WCU cheerleaders, along with approximately 50 other universities, including Divisions I, II, and III, competed to stand out at this prestigious camp. The cheerleaders learned numerous new cheers and stunts and worked side-by-side with UCA staff to improve their cheerleading abilities. They had daily evaluations, for which they unanimously earned many blue, superior ribbons. West Chester University competed against other schools in many categories, including best chant and fight song, where they placed in each. The cheerleaders also brought home a Game Planning Award for their unique traditions and school spirit. After only a week to recuperate, the cheerleaders headed to William Tennent High School in Bucks County. There, they choreographed the varsity and junior varsity routines and taught it to the squads in three short days. These routines consisted of numerous stunts, pyramids, dance, jump and tumbling sequences. The William Tennent cheerleaders will continue to improve in practice and will eventually take these routines to competition this winter. The cheerleading team moved to campus a week early to conclude their preseason. They worked on perfecting numerous cheers, sidelines, stunts and pyramids, as well as their full squad tumbling. They also prepared their fight song routine and field traditions. For the first season, the cheerleaders will work together with the West Chester University band to choreograph a pre-game routine. These long days of practice will help to prepare the cheerleaders for their nine-month season. Throughout the season, the cheerleaders not only practice twice a week, but they have 6 a.m. workouts, decorate the locker room to support the school's football team and also balance school work and jobs, easily. The squad hopes to be more involved in the community this year by reaching out to youth groups in the area by doing a monthly volunteer activity and perform exhibitions at various high schools.

get the ball ROLLING

The men's soccer team played hard this season, entering a very young team into the fray and coming out with more experience and a record of 6-8-2. After a great start against Goldey-Beacom College, they went on to win the 2010 WCU Fall Classic soccer tournament. The team suffered some setbacks with an unlucky losing streak that lasted until their impressive comeback versus the University of the District of Columbia. They won their next few non-league games with finesse, shutting out Lincoln University and dominating Holy Family University. The men's soccer squad ended its season on a high note with a 1-1 draw at Millersville University in a double-overtime contest. Congratulations to senior forward Ricky Williamson, who was selected to the All-PSAC men's soccer second team, and to senior co-captain and midfielder Matt Aunet, who was honored by the College of Sports Information Directors' Association as a third-team Academic All-District 2 College Division choice. Freshman Conor Malarney was the season's first to be named the Pennsylvania State Athletic Conference player of the week as well, for his many goals and assists in the first successful games of the year. Though they suffered a string of losses, the Golden Rams showed flashes of brilliance and amazing talent that will surely carry them to success in the 2011 fall season.

Together Everyone Achieves More

The Women's soccer team had an incredibly successful year! Last year's nationally-ranked team returned with all the talent and drive that led them to three conference titles in the last four years. The defending Pennsylvania State Athletic Conference champions started off very strong this year, completely shutting out their opponents and winning their first seven games. The similarly thus-far undefeated Bloomsburg University got the best of them, but the undaunted Golden Rams persevered to win against Indiana University (PA) in a critical Pennsylvania State Athletic Conference (PSAC) victory. They continued to top their opponents, shutting out both Philadelphia University and Millersville University. The Golden Rams successfully defended their Pennsylvania State Athletic Conference title with a thrilling 4-3 victory over California University (PA) in a penalty kick shootout, and while challenging California again, took home their fourth regional championship in the past six years! They advanced to the NCAA Division II Quarterfinals, but their incredible luck ultimately ran out in their defeat by Saint Rose College. Many of the talented athletes were honored for their astounding accomplishments. Senior Sarah Oswald was named PSAC women's soccer athlete of the week, ECAC player of the week, and PSAC women's soccer player of the year. A total of six West Chester University women's soccer players were named to the 2010 NSCAA/Performance Subaru Division II Women's Soccer Squad: Oswald, sophomore Lyndsie Bernardini, senior Jessica Bennett, senior Cindi Nickles, and junior Tara Malkiewicz were named to the first team, and senior Devon Swaim was the lone second team selection. Oswald, Bernardini, and Nickles were picked to the 2010 NSCAA/Performance Subaru Women's NCAA Division II All-America team, and Oswald and Malkiewicz were each named to the 2010 Daktronics, Inc. NCAA Division II Women's Soccer All-America teams.

GOING *for the* KILL

The West Chester women's volleyball team had a very successful fall season this year! They launched off to an excellent start, winning their first three games at the Kutztown Invitational. At the Ram Fest, they also shut out their opponents they hosted in four home matches. They saw their amazing winning streak come to a close against Gannon, and the Rams then lost three of their first PSAC Western Division crossover matches. The volleyball team's newcomers, freshman Jamie Hughes and classmate Chelsea Clemens, led the team to a 3-0 win over PSAC rival Cheyney University to end their three-game losing streak, and they went on to win their next four matches and with top kills and assists by Michelle Powers, Kelly Martin, Lexi Kegerise, andHelen Fitzpatrick. These matches evened out their record in conference play, but a pivotal loss to Lock Haven put them in third place. The team earned mixed results over the next few weeks, sweeping many non-league matches but falling to PSAC rivals such as California, Indiana, and Clarion. The Golden Rams later defeated the East Stroudsburg Warriors and the Bowie State Bulldogs, sealing a playoff spot in the PSAC postseason tournament. After reaching the PSAC quarterfinals for six straight years, the Rams continued in their determination and hung on for a 3-2 win over visiting Millersville in the regular-season finale, but bowed out of the postseason in the quarterfinals when they fell to top-seeded Lock Haven in a very close match. After a very tough run in PSAC matches, the women held their own, and ended the year 23-12 overall and 8-11 in the PSAC Eastern Division. Congratulations to senior middle hitter Michelle Powers, who was named to the first team All-PSAC East squad, and to Lisa Campbell, Helen Fitzpatrick and Lexi Kegerise, who were all second team honorees. Powers was also named to the 2010 American Volleyball Coaches' Association (AVCA) Division II All-Atlantic Region squad for her accomplishments this season.

THE MAGIC SWING

Boys Tennis had a very interesting season this year, with an overall record of 6-12. Opening the season, they had a strong win against Harford Community College with a score of 6-3. West Chester started four freshmen in its lineup during this match and it was a great success for the team. Another big win for the team was against Gloucester CC in which they won 6-2, a non-league men's tennis match. After having a 6 match losing streak a win against Bloomsfield was exactly what they needed. The boys had rallied up a score of 8-1 at this match. The Golden Rams swept the doubles competition in impressive fashion, 8-2, 8-3, 8-0, respectively and were also straight-set winners at 1, 3, 4, 5, and 6 singles. Although the boys endured some losses, West Chester University is proud of their hard work and dedication throughout the season. Good luck next year!

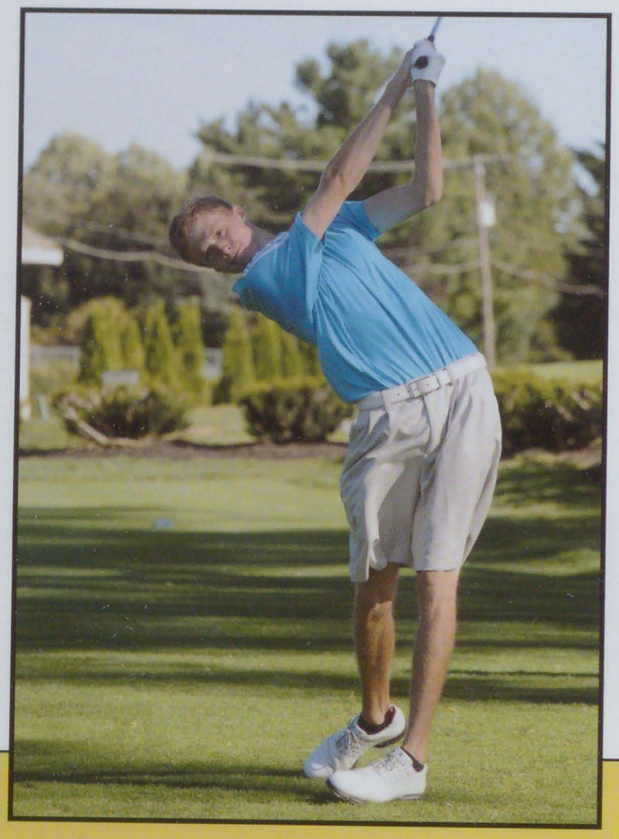
they let the racket

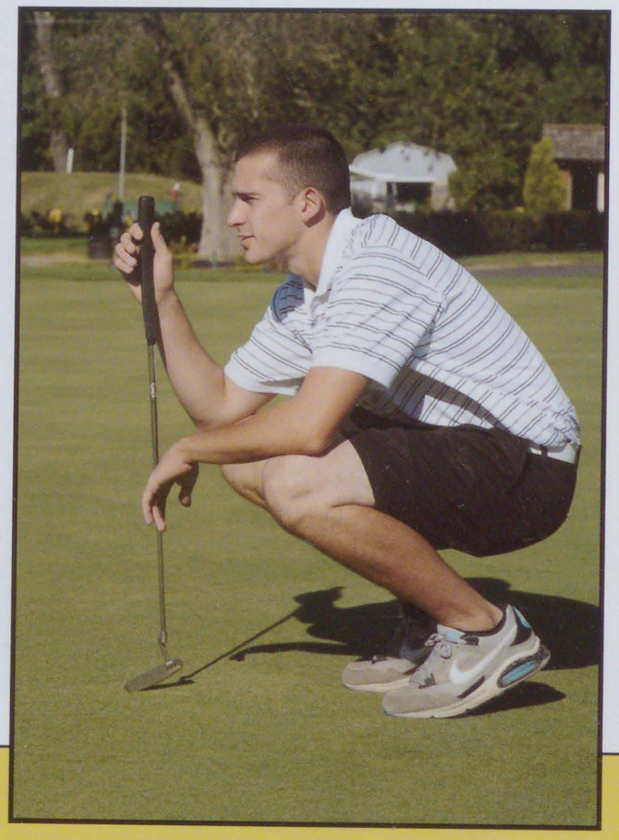
do the talking

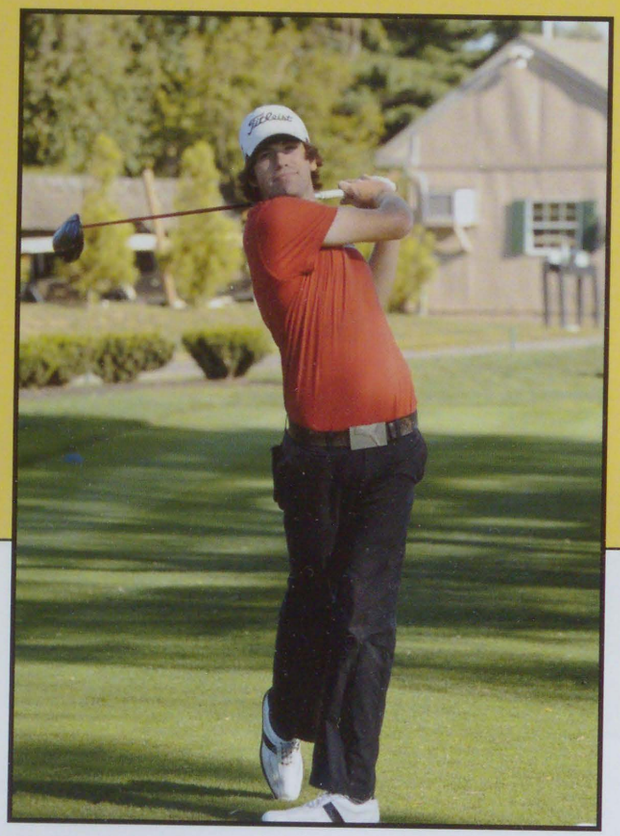
The women's tennis team dominated with a strong win in the fall season opener, shutting out Harford Community College 9-0. The team received wins from Brittany Counts, Louisi Souto, Ali Fetter, Alex Santoro, Kara Shumock and Teresa Grasso in the singles competition. Each win was a straight-set victory. The next win was against host LaSalle 6-1 in a non conference match. The ladies had received five singles match victories and swept the doubles competition. The doubles victories came from Brittany Counts and Luisi Souto, 8-6, Allie Fetter and Alex Santoro, 8-6, and Kara Shumock and Nicole Paller, 8-1. The team finished its conference regular season with the best league record in school history. The ladies finish in second place, just one game behind undefeated Bloomsburg. The women's tennis team had continued on a winning streak and had a great season this year. Congratulations to Ali Fetter for being named the women's tennis athlete of the week by the Pennsylvania State Athletic Conference! Lets get em' again next year ladies!

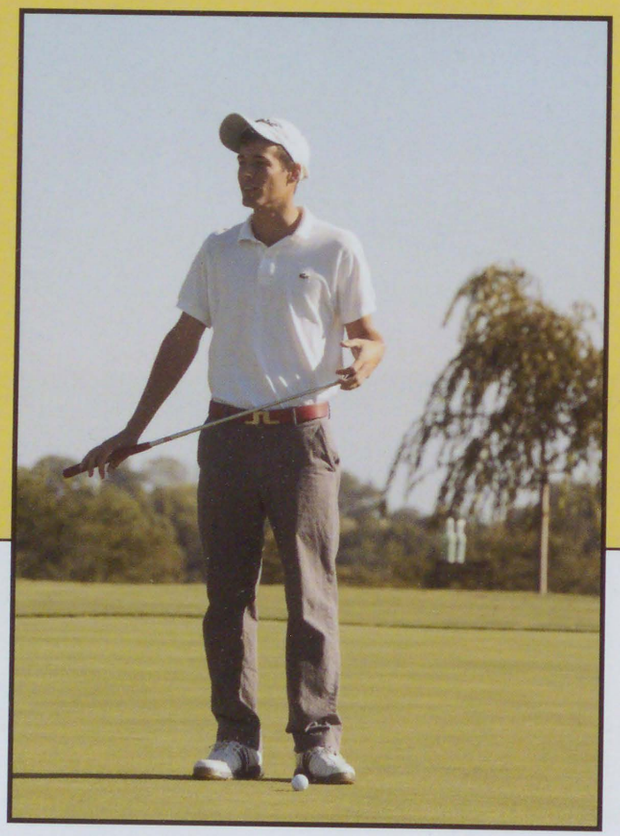
Boys Golf

getting into the swing of things









Look At That Birdie!!

The Men's Golf team had a successful Fall season this year and has been improving rapidly throughout the entire year. The team placed second in the 2010 PSAC Men's Golf Championship with a score of 612. Sophomore Griffith Basehore shot a 2-over 146 to finish runner up on the individual leaderboard and lead West Chester University's men's golf squad to a second-place finish at the 2010 PSAC Men's Golf Championships held at Hershey Links Golf Course that was a par-72 course. That isn't all that the golf team has been up to this year! West Chester University's men's golf squad finished off its spring opener with a second-place showing at the 2nd Annual St. James Plantation Invitational at the Founders Course Sunday morning. The boys shot a 623, losing out to Indiana, Pa. West Chester's Griffith Basehore placed in a tie for third with a 150 andDoug Brooks placed fifth with a 151. Connor Lefevre shot a 158, Steve Minnick a 164 and Mike Flatley a 165. Mark Brooks shot a 178 as well. West Chester shot a 311 in the first round and followed up that performance with a 312. This season has been promising for what is to come next year when the Rams tee up again on the golf course.

Girls Golf

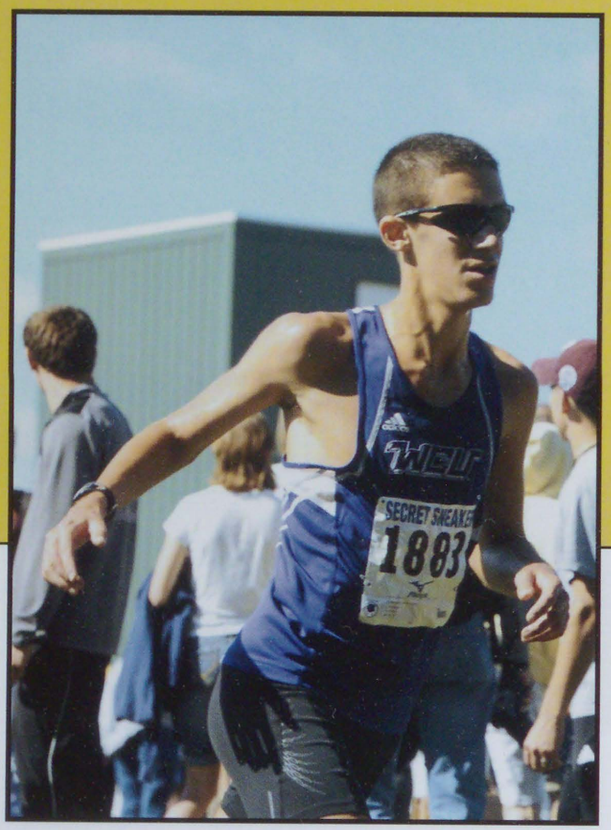
just par for the course

Par for the Course

It's been a busy year for Lady Rams Golf. With a first place victory at the Navy Academy Invitational in Annapolis, Maryland under their belts, these girls really showed what they're made of! Margot Zydyck was West Chester's top scorer at the Invitational with 84. With Ann Bahnick making 85 strokes, Nicole Cavalcante shooting 87, and Nicole Fisher having 88, the Invitational was quiet successful for the girls. Overall this season, the Lady Rams have shot nothing over 700. They've been practicing hard, taking each Invitational, and making it a learning experience and an opportunity to show off their skills. This team has been working towards thier goals and achieving little by little. The lady Rams placed 3rd at the PSAC championships in October and the girls were thrilled. Head coach Doug Hendricks was very please with the way his team performed all season. He has high hopes for these lovely ladies in the future as they work towards their goals. They've got a long way to go, and a lot of things to learn along the way, but it's all sure to pay off in the long run. Go Rams!

Boys Cross Country

keeping on pace

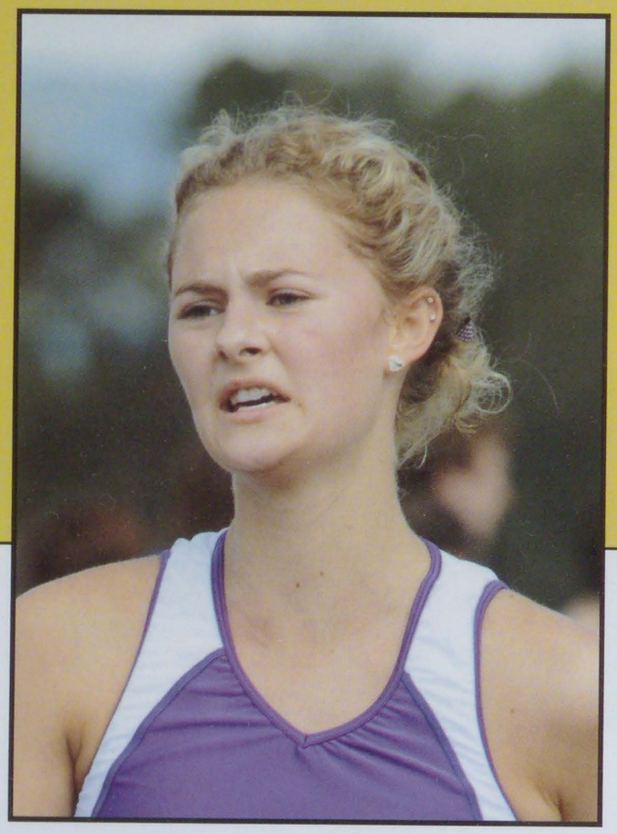


PAIN is temporary PRIDE is forever

The Men's Cross Country program had an exceptional 2010 season. The team opened with a third place finish at the Delaware Valley College Invitational. Ed Bittingham led the runners to the finish line with a strong ninth place showing out of a total of 208 runners, also marking the fastest time for a Ram on this 8K course since 2004. Continuing their success, all seven runners on the team finished with times less than 28 minutes at Lock Haven University, setting six new records for that course. Further into their season, the team set three new records in the 4K race at Dickinson College. Matt Langdale finished strong and set West Chester's top time on this course over the past six years. The team finished with eighth place showings at both the University of Delaware Invitational and the Kutztown Challenge. Their season ended with a 12th place standing at the 2010 PSAC Championships and a 15th place finish at the 2010 NCAA Atlantic Regional.

Girls Cross Country

going the distance



MIND over MATTER

The women of West Chester University's 2010 Division II Cross Country Team had a successful season, both athletically and academically. The hardworking athletes had an overall GPA of 3.64, ranking sixth amongst the other Division II programs. The team opened its 2010 career with a ninth place finish at the Delaware Valley College Invitational. The women continued with a strong season, placing sixth at the Kutztown Challenge, taking fourth on Lock Haven's course, and ending the season with an 11th place at the 2010 PSAC Championship. The program was lead by determined athletes, such as sophomore Kristina Koutsouros, who made a big impact on the program this year. Kristina won many meets this season and placed first at the Paul Short Invitational; she clocked a time of 22 minutes, 4 seconds for her first college win--the fastest time any Golden Ram has achieved on that course in the past six years. Lyndsey Ratasiewicz was also one of the strong competitors on the team, and at the University of Delaware Invitational, she also set a new record for the Rams. Both of these dedicated team members received all-region honors in leading West Chester's women's cross country team. They bolstered their team to a strong 12th place finish at the 2010 NCAA Atlantic Region Championships at the end of the season.

NEW year. NEW hope.

one team.

What a year it has been for Golden Rams Field Hockey team! They completely shut out Fairfield University at its home opener with a score of 3-0 (two goals by Nicole Fiorilla and one by Alisha Moran), and defeated Sacred Heart with a final of 3-1. In the game against the University of North Carolina's Tar Heels in the Vinnie Gros Classic, freshman goalkeeper Kristin Arnold made an incredible 13 saves in the net. In their final game of the season, the Golden Rams ended with a 2-1 victory over Saint Louis University. Many team members garnered prestigious achievements and awards for their excellent sportsmanship as well. Junior Brynn Adams was awarded the Atlantic 10's second team all-league in the postseason. Junior Nicole Fiorella was an academic all-league recipient, and freshman midfielder Kelsi Lykens was named to the all-rookie squad. The team finished the season with 6-12 standings regular season, 2-5 in the Atlantic 10. It was a tough season with just missing the playoffs, but the unwavering Golden Rams kept their spirits up and their heads held high no matter what they faced.

Women's Team takes PSAC

The Women's Swimming and Diving Team outdid themselves once again in their 2010/2011 season. Although they suffered a loss at Penn, they had won 3 out of the 15 events at the interdivisional meet. The team had strived for the gold and reclaimed their title as PSAC champions this year at Cumberland Valley High School. Freshman Kaci McNichol set a PSAC meet record and hit an NCAA automatic qualifying time of 17 minutes, 2.16 seconds by winning the 1,650-yard freestyle to open the final day of competition at the championships. This is their 5th consecutive year with the title and West Chester could not be more proud of these true Golden Rams.

West Chester University totaled 630 points at the meet, passing Clarion, who only had a total of 510. Not only was this our 5th consecutive year holding the title, but our 9th in the past 11 years. These women deserve a lot of credit for their hard work and determination to be the best.

Splishin' & Splashin'

They did it AGAIN!

The Men's Swimming and Diving Team had an amazing 2010/2011 season. They won two out of the three meets, defeating Shippensburg and Bloomsburg at the end of 2010, and took third place in the Terrapin Cup totaling up 525.5 points. Not only was our women's team PSAC champions, but so was the Men's team! They had continued their dominance in this meet, making this their 13th consecutive win. Senior Kenny McCormick was named the swimmer of the meet for the second straight year. Bud McClernan set a PSAC meet record in winning the 200 breaststroke with a time of 2:04.64. West Chester totaled 686 points, passing Clarion who had 567.

West Chester University finished 19th at the NCAAs with a total of 62.5 points. Brendan Magarity claimed an All-America certificate with an eighth-place finish in the 200-yard backstroke on the final day of competition. Magarity touched the wall in 1 minute, 50.66 seconds to take the last All-American spot in the finals of the 200 back. Congratulations on a great season!

SPORTS do not build CHARACTER

they REVEAL it

The Men's Basketball team started off on the right foot with a win for their first home game. Although they lost the second game by a mere three points, they came back strong and fought for each of their next six wins at home. The men kept hope alive for the playoffs after winning against Millersville with a final score of 76-48, but were defeated shortly after. The men finished the 2011 season with a final record of 14-12. Two members of the team recieved great honors at the end of the season as well. Congratulations to Lance McDowell and Harley Williamson for each being awarded the Pennsylvania State Athletic Conference Athlete of the Week for their performances in the victories against Wilmington and Holy Family. Though these two players recieved awards, it would have been impossible for the Rams to be as sucessful as they were without the other members of the team. The boys are proud of what they have accomplished this year and are looking forward to what the future will bring them next year.

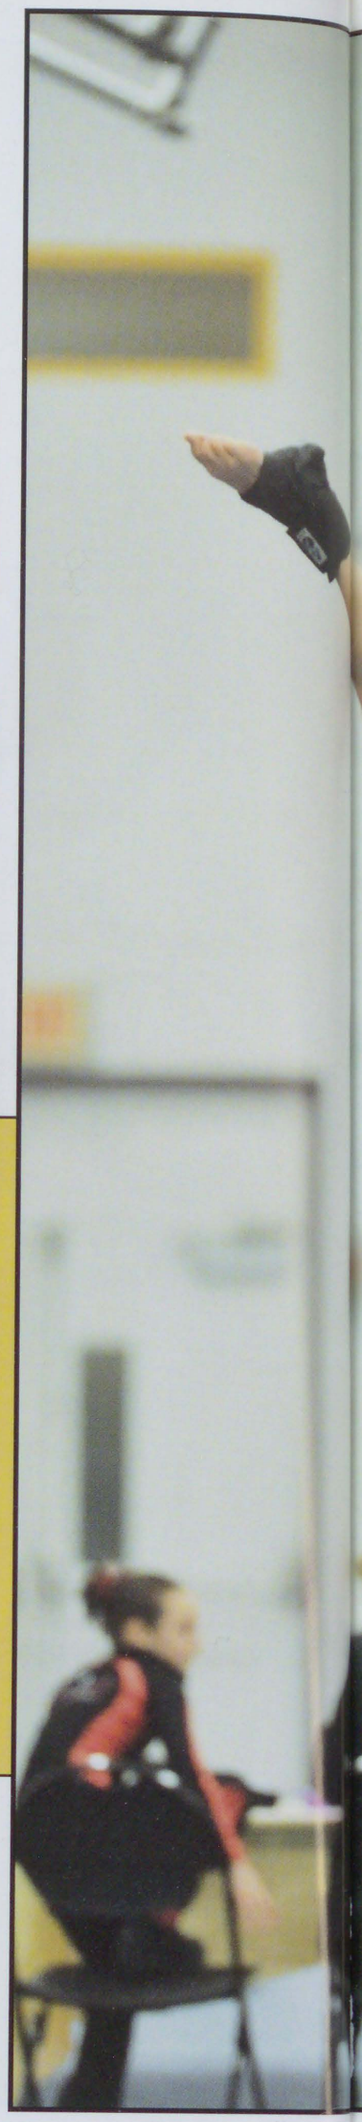
Defending Home Court

It's been quite a successful year for the Golden Rams Girls Basketball! Finishing off the 2010-2011 season with a 20-7 record was certainly no easy feat, especially finishing with their second 20-win record in a row. They had their set-backs, but those obstacles made them stronger. To say they played their hearts out is an understatement! Three of the team's own made the 2010-11 Women's Basketball All-PSAC East Squad, an amazing honor achieved by Alex Lennon (second team), Allison Hostetter (second team), and Megan Stewart (first team). Sophomore Alex Lennon made a new school single-season record for blocked shots this season, with 87 total (with 126 career blocks in two seasons). Junior Allison Hostetter achieved the position of 3rd in Golden Rams ranked scoring with an average of 12.3 points per game and 331 points this winter alone. Senior Megan Stewart finished her career with well over 1,000 points, as well as breaking the school record for career steals (324). She is a four-year letter winner and has been a starting point guard for the past four seasons. The entire team had a phenomenal season. Each girl worked to help the team succeed, and it paid off in the end. Next year they'll be back and ready for more!

Gymnastics

going for the gold



Tumble On In

The West Chester Women's Gymnastics team started off their season with a positive attitude and great scores. Towards the end of the season, West Chester University broke the school record with its 186.050 and set a new school mark on the uneven parallel bars (47.300) to earn a third-place finish at the 28th Annual ECAC Division II Women's Gymnastics Championships. West Chester's Allie Aquila was runner-up in the all-around with a score of 37.600. Aquila scored a 9.525 on the vault and a 9.450 on the bars for her two best efforts. She added a 9.375 on the floor exercise and a 9.25 on the balance beam. WCU freshman Paige Griffin was fourth in the all-around with a score of 36.750. She scored a 9.500 on the bars and a 9.45 on the floor. Kaley LaFleur and Alli Aquila each turned in a solid performance while representing West Chester at the 2011 USA Gymnastics Championships held at the U.S. Air Force Academy. LaFleur scored a 9.55 on the uneven bars during session two to finish tied for 16th overall. Alli Aquila scored a 9.125 on the balance beam to place 27th overall. She also competed on the uneven bars and on the vault, scoring an 8.975 on the bars and 8.800 on vault.

The Lady Rams had a great season and are showing strong athletes in their program.

Golden Sticks,

Golden Team!

It was a great year for Golden Rams Women's Lacrosse! West Chester was ranked number six on a national scale by US Lacrosse Magazine in its yearly polls for the preseason. The girls practiced and played their hardest, and it paid off well in the end with a 14-3 finish!

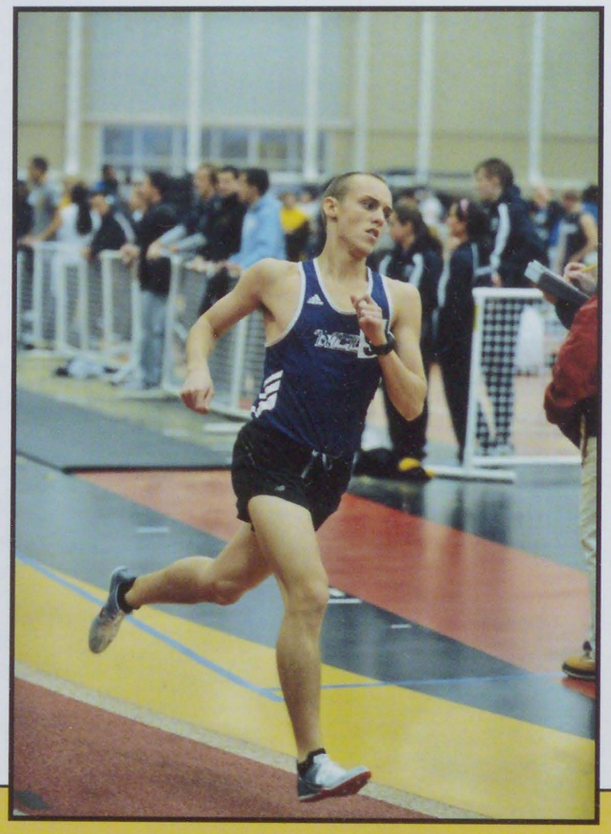
The girls opened their 2011 season against West Virginia Wesleyan in Salem, Virginia with an impressive 23-00 shut-out win, with West Virginia only managing to make 3 shots. Definitely a truly spectacular way to start off the year!

The rest of the season proved to be successful for the Golden Rams, with the ladies rallying for 13 more wins and only marking 3 losses. All 8 games played at home were won, with 5 away wins, 2 away losses, 1 neutral win, and 1 neutral loss. Overall, a great record!

Apri 23, 2011 was Senior Day for Women's Lacrosse, and the seniors were shining bright. Jackie Hoover scored 5 goals, Shannon Hayes racked up five points, and Claire Grimwood managed to score twice. Junior started MacKenzie O'Keefe made 4 saves in the first 17 minutes of the match and sophomore Tori Dugan made two exceptional goals. The Golden Rams came away with a 15-11 win--an excellent end to the season!

The West Chester Golden Rams Women's Lacrosse team of the 2011 season have shown what hard work, dedication, and a little practice can do on the field and in the long-run. Fantastic season, ladies!

Boys Track
winning the race



Live Free, Run Fast

The team renewed itself in many ways this year. With a new coach, the Men's Track & Field team started off their indoor season at Princeton's New Years Eve Invitational. Kyle Perry broke his own school record in the 600m with a time of 1 minute, 23.67 seconds at the season opening. West Chester University's men's track & field squad completed their indoor season with an eighth place finish at the 2011 PSAC Indoor Track & Field Championships held inside Mike S. Zafirovski Sports & Recreation Dome. Tyler Real highlighted Sunday's final day of competition with a third-place showing in the 60m hurdles. He crossed the line in 8.3 seconds. Craig Espenshade placed sixth in the 400m in a time of 50.17 seconds and West Chester's 4x400m relay team consisting of Nick Drozd, Kyle Perry, Tim Thiry and Espenshade placed fifth in 3:22.29. All this promising talent is sure to keep the Rams Track & Field team going strong into next year and for years to come.

Girls Track

lapping the competition

Leave it on the Track

West Chester has enjoyed a particularly successful indoor season under first-year head coach Mike Murawski. West Chester University's women's Track & Field squad cracked the Top 10 rankings of the latest U.S. Track & Field and Cross Country Coaches' Assocation (USTFCCCA) regional poll. The Golden Rams are ranked ninth in the fourth poll of the season. West Chester's 4x400m relay team won a PSAC championship as the Golden Rams finished seventh overall at the 2011 PSAC Indoor Track & Field Championship. Melanie Ruff, Melinda Wentz, Sam Smarkola and Nicole Smith made up the PSAC champion foursome, finishing in 3 minutes, 57.03 seconds. Two of the members were very successful this season. Senior Melinda Wentz and sophomore Nicole Smith were each honored by the coaches' association. Wentz was selected all-region in the pentathlon where she hit an NCAA provisional score this winter. Smith was tabbed all-region in the 400m. Going into the outdoor season the Women's Track & Field Team crowned five individual winners in its outdoor season opener at the Golden Rams Invitational on a sunny, but windy, Saturday afternoon inside John A. Farrell Stadium. The team has come along way with a new coach and hopes to continue on the path of growing and winning as a team.

Overcoming Adversity

HEY BATTER BATTER...

The Golden Rams started out their successful season at the 3rd Annual Russmatt Central Florida Invitational. Their first victory came from a dramatic comeback against Concordia-St. Paul, and the men went on to sweep a doubleheader from SW Minnesota State, giving head coach Mark Jackson his 700th career win! West Chester suffered a number of losses following the Invitational, and in the team's first PSAC East games against Millersville, they won one out of four games with an impressive performance from pitcher Joe Gunkel. In the competitions against Bloomsburg, the men succeeded in winning three of the four PSAC games. The Golden Rams blanked Wilmington University, 3-0, in the championship game of the 11th Annual Bill Giles Classic, making this their fourth straight win of the Classic and eighth overall! With this great accomplishment under their belts, they swept a doubleheader from Mansfield and put themselves back into the running for the PSAC playoffs. They concluded their regular season with an excellent defeat over Philadelphia University, but after a stellar win against league rival Shepherd, the baseball team saw their PSAC East season end with a loss to Mansfield. The team's persevering effort did not go unrewarded, and many team members won special awards for their superior playing. Chris Pula was named a PSAC Athlete of the Week, senior Brandon Wolfe and junior Joe Wendle were both named to the first team of the 2011 PSAC East All-League Squad, and Wendle was also named to both the NCBWA All-Atlantic Region and the Daktronics, Inc. All-Atlantic Region first teams. Congratulations to the Golden Rams and to Coach Jackson for leading such a hardworking team!

Leaving it at the Mound

West Chester's Women's Softball Team had a great season, finishing off with an overall record of 34-19. The Lady Rams made it all the way to the PSAC Title Game against IUP. Megan McCormick went 4-for-4, including two home runs and a double, and knocked in five runs. Erin Holloway struck out eight batters. West Chester University made its second appearance in the Pennsylvania State Athletic Conference (PSAC) taking on Lock Haven University in the first of two games. The Rams won the opener with a 6-5 score over Lock Haven. Abby Block went 2-for-4 with a home run, a double and three RBI to pace the offensive effort. Block put West Chester on top with a two-out, solo home run in the top of the first. It was her 10th of the season, tying Katie Kmiecinski for the team lead. She later doubled in a pair of runs during a four-run fifth that put the Golden Rams on top, 5-1. Kmiecinski and Erin MacNamee added RBI singles in the fifth as well. The team has finished its great season and individual players have received postseason awards, such as senior outfielder Erin MacNamee, who was named Luisville Slugger/National Fastpitch Coaches' Association (NFCA) All-Atlantic Region first team. This is MacNamee's third appearance on the first team all-region squad. Congratulations Lady Rams on your successful season!

GOLDEN opportunities

HE SAID...

The people who get on *in this world are the people who* **get up** *and* **look for** *the circumstances they* ***want****, and if they can't find them,* MAKE THEM.

George Bernard Shaw

"Life is a highway and I wanna ride it all night long"

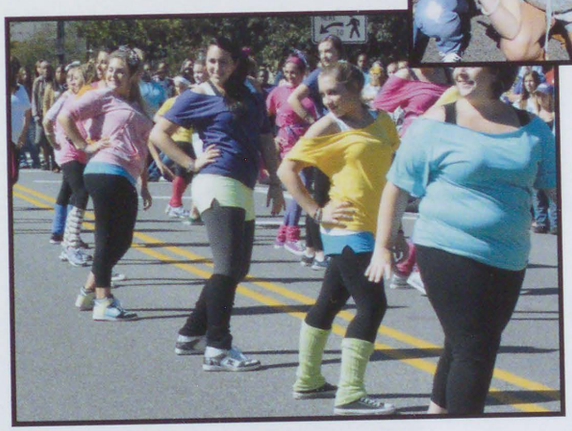
roadtrip across the USA

How is it possible to stop by Las Vegas one day, New York City the next, and end in New Orleans by the end of the week? This is exactly what happened during homecoming week at WCU. The Road Trip theme took students all around the U.S. with events every night including mock gambling, pep rallies, a concert by Shontelle--and those were just during the weekdays.

The week all leads up to a full-day event. The day begins bright and early in Sykes Union parking lot where students from all organizations on campus meet to prepare for the parade. During the parade there are competing and non-competing organizations that dance for the university to see. The competing teams are then judged and a first, second, and third place organization are crowned.

After the parade comes the main event: the football game. The game was played against C.W. Post this year. It was a tough battle and in the end the Golden Rams couldn't pull through. They lost with the very close final score of 37-39. However, the outcome of the game didn't ruin the rest of the day.

During the game's halftime, the homecoming court paraded onto the field and a winner was announced.The 2010 homecoming king and queen were Todd Soper and Carly Myers, who were representing the Greek Council. Road tripping around the U.S. was a success for all students.



"Runners just do it - they run for the finish line even if someone else has reached it first."
~Author Unknown

brian's run 2010

The 33rd Annual Brian's Run was held at Henderson High School on December 5th, 2010. Brian's Run began in 1978 as a one-time fundraising event to benefit Brian Bratcher, a West Chester Henderson High School football player who was paralyzed during a scrimmage. Brian's friends, their parents and the community organized a race and hoped to raise $500. That first year, 2,000 runners participated and the effort raised $20,000 to help Brian with his expenses. After 1979, Brian felt he had benefited enough from the proceeds and asked to have others benefit from the annual event. For years, the race has raised funds for disabled people in the West Chester community. West Chester University contributes thousands of hours to the effort. Hundreds of students work on race day, and student organizations designate Brian's Run as one of their service efforts. Hundreds of University employees volunteer as well. This year, 1,000 runners participated in the race and the event raised $10,000. The 5-mile course is an out-and-back loop through downtown West Chester with significant hills, finishing with one lap of the track at Henderson. Local residents and family and friends of the runners lined the streets to cheer.

Before the runners set off, there was a diaper dash for children under 3, a fun run for children ages 3-8, and a 1-mile fun run for ages 9 and up. It is a fun family event for a great cause!

"Seeing hundreds of people moving in at once, knowing that they too were nervous to leave home, only comforted me and replaced my nerves with excitement for my first semester of college."
-Justin Sochovka

Freshman Move in Day

Residence halls were ecstatic to recieve new members into their halls on that hot August day. Move-in Day was the hottest day of the year, but that didn't stop the thousands of first year and transfer students from enthusiastically pouring into their new homes. The day was filled with fun activities, great food, and new friends that will last a lifetime. Many students met their roommates and other students that lived in their halls who they would come to know and love. Whether their dorm was suite style or traditional, the friendships formed within the residence halls are some that will be carried throughout students' college careers. During the day, signs were posted everywhere welcoming freshmen as they explored the beautiful campus. New students said goodbye to their families and hello to West Chester, ready to get aquainted with the brand new world of college. Once moved in, the events planned for the day calmed the nerves of students who knew they were walking into a completely new life. West Chester would be the home for these students for the next four years, and many seemed eager and ready to start their future in the residence halls.

"The pageant was the best time of my life! It really helped me come out of my shell and gain so much confidence."

-Kaloni Baylor

miss wcu

The Miss WCU program has brought together extraordinary young women over the years, each having a different platform for change and awareness within the campus and community. Nineteen contestants competed for the Miss WCU crown and nearly fifteen other additional awards in the Emilie K. Asplundh Concert Hall on February 5. Each contestant partakes in an interview worth 40% of their overall score, 25% of their score is based on the talent portion of the show, 15% for both casual wear and evening wear, and the remaining 5% for the on-stage question asked to each of the contestants. Contestant fourteen, Kristin Hector, recieved the crown, performing her talent of a self-choreographed dance to "Dog Days Are Over" by Florence and the Machine.

Courtney Dean recieved first runner-up, Kaloni Baylor with second, Kristin Neel with third, and Lauren Lombardo with fourth. Congratulations to all of the talented participants for great performances, and for your continued academic excellence, leadership, and West Chester spirit.

"Get involved on campus!"

Involvement fair

The involvement fair is an opportunity for students to learn about activities that they can do throughout their school years. This includes sororities, fraternities, clubs and activities. This is held once every semester and is especially helpful for freshmen. Many tables are set up and students can find information about and sign up for anything they are interested in. West Chester University has a numerous amount of organizations and make it very easy for students to get involved. The involvement fair helps students get involved on campus as well as in town. Various local companies camp out to give students discounts and gifts. Everyone is friendly and informative so come out and get involved!

"Raising awareness, raising hope."

Aid to South Africa

On April 10, 2011, West Chester University's Honors College hosted their 6th Annual Aid to South Africa fundraiser. The festivities included games, food, music, and other fun activities. In addition to raising money, the program also rose awareness of the poverty and oppression in South Africa, as well as the widespread epidemic of AIDS in that region. There was a station where patrons of the fundraiser could write a letters to send to children in South Africa. There were pictures and stories of the children and of what has happened in South Africa.

The Aid to South Africa fundraiser raised more than any amount of money could do: it raised hope. On West Chester's campus, it is important to recognize the students and all others that are giving back to our direct community and to ones that are worlds away.

"We all go bananas!"

Banana Day

Banana Day has been a growing tradition at WCU since 1996. Banana Day is officially on the third Wednesday of every April when spring is either here or just around the corner and the warmth is creeping in. It is a day for West Chester students and staff to get together and have fun, be healthy, and relax. There are games to play and the coveted t-shirts to win. Different stations are set up all over campus to ensure that every student has a chance to experience banana day. No matter where you go, you are likely to get a free banana. This event was planned by the dedicated members of the Student Activities Council.

"Greek Week was a perfect blend of competition and cooperation, which really brought the fraternities and sororities closer."

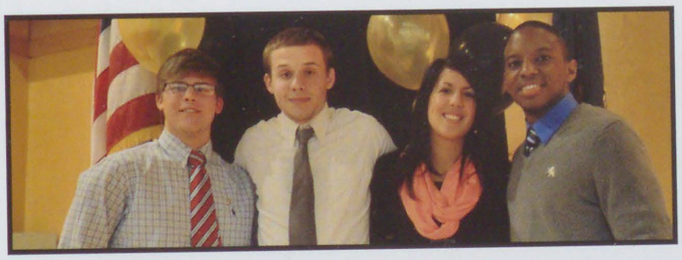
-Alexis Townsend

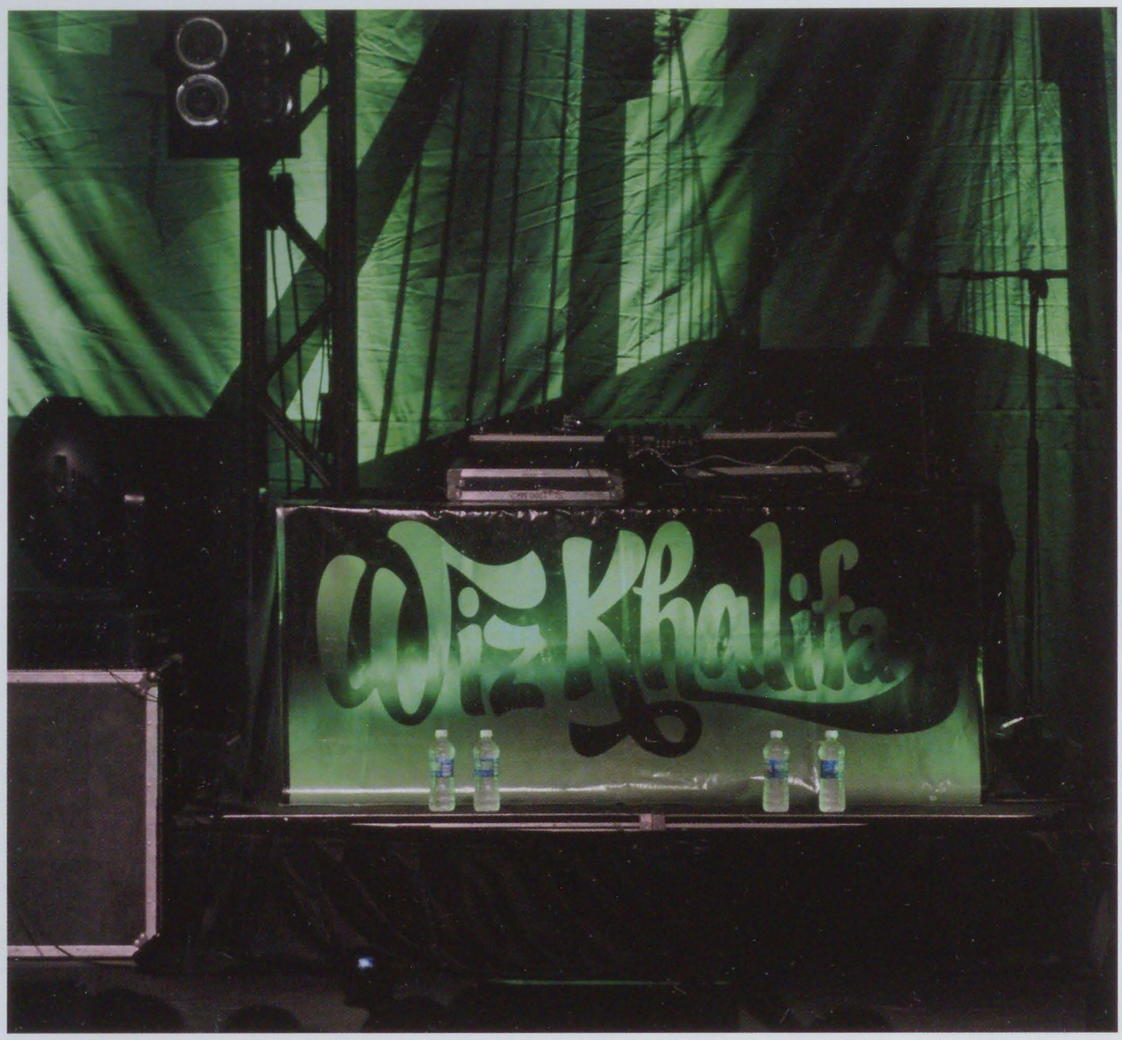
Greek Week

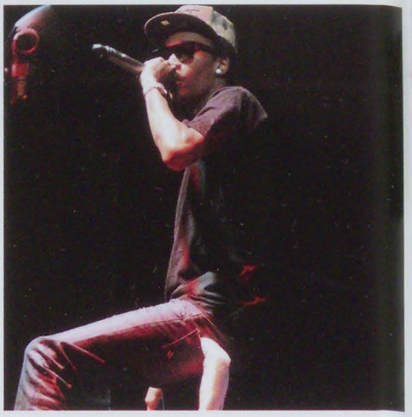
GO GREEK

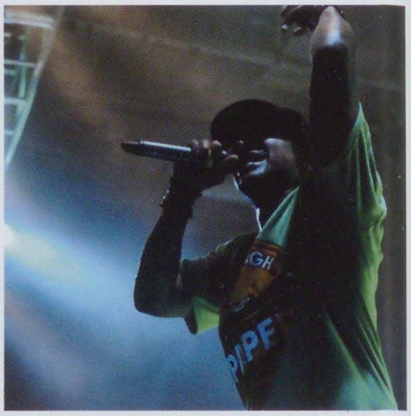
It's something that those involved in West Chester University's Greek life look forward to each and every year. It's fun. It's competitive. It's entertaining. It's uniting. It's Greek Week.

This year's Greek Week events featured a canned food sculpture contest, a Greek God and Goddess night, a lip sync competition, a few competitive games of volleyball, games in the pool, and Greek games; all followed by an awards ceremony. Sorority Delta Phi Epsilon and fraternity Sigma Alpha Epsilon were awarded first place in claiming overall winnings throughout the week of exciting events. Delta Zeta and Delta Chi took second place, and Alpha Xi Delta and Sigma Phi Epsilon claimed third. Congratulations to all of those who participated in this years events, and we look forward to another action-packed Greek Week next year!









"Black and yellow, black and yellow!"

Wiz Khalifa Concert

Major Entertainment is a student run group that has been bringing concerts to West Chester's campus for many years. This year was no exception. On April 27th WCU hosted none other than Pittsburgh native rapper Wiz Khalifa. The concert was held to a sold out crowd in Hollinger Field House.

Major Entertainment held a voting process for students throughout the fall to decide who they would bring to campus. Students decided they wanted the rapper on campus for the spring, and they got him!

Through careful planning and many hours of preparation, Major Entertainment spent the entire year working towards this one event. Security for the event was tightly enforced by students, public safety, and the West Chester Police. Wiz put on an electrifying, sold-out show for the West Chester crowd. The atmosphere was amped up, and everyone's spirits were high. Khalifa ended the show right with his smash hit "Black and Yellow" and left West Chester wanting more. Overall the entire spring concert was a great success!

Congratulations

Go Rams!

The world is yours.

The ending of an era

now markered with the

turning of a page
